OFFICE OF  
RESEARCH AND DEVELOPMENT

**MEMORANDUM**

**SUBJECT:** Initial Response to OIG Report: 'Results of Technical Network Vulnerability Assessment: EPA's Andrew W. Breidenbach Environmental Research Center' No. 10-P-0210

**FROM:** Jack Puzak, Director   
Office of Science Information Management (D343-04)

**TO:** Rudolph M. Brevard, Director  
Information Resources Management Assessments (2408T)

In response to OIG Report No. 10-P-0210 'Results of Technical Network Vulnerability Assessment: EPA's Andrew W. Breidenbach Environmental Research Center issued on September 7, 2010; a status update is provided for high-risk and medium-risk vulnerabilities as associated with ORD systems. Plans of action and milestones will be created within the Agency's Automated Security Self-Evaluation and Remediation Tracking System (ASSERT) as noted within the response, and a technical rescan will be completed within 60 days from issue date of OIG Report No. 10-P-021. If you have any questions or need additional information, please contact Caroline Parton at (919) 541-3067.
